## ABOUT ASI & ESI

Headquartered in Dublin, Ohio, ASI is a credit union-owned private deposit insurer founded in 1974 by credit unions, for credit unions. ASI is licensed and dual regulated by the Ohio Department of Commerce and the Ohio Department of Insurance and is authorized to issue this coverage in our state. Regulators of credit unions in each state in which American Share operates also review the company's performance.

Also headquartered in Dublin, Ohio, ESI is a wholly owned subsidiary of American Share Insurance. As a property and casualty insurer, ESI is subject to licensing and regulation by your state's insurance department.

Furthermore, both companies' financial statements are audited annually by an independent CPA firm and are available upon request through the credit union. ASI and ESI are not federal or state government agencies.
