Who is Xenia & Centerville Self-Storage?

We provide residential and commercial self storage, as well as office and retail space in Centerville and Xenia, Ohio.

How has River Valley partnered with you over the years?

River Valley and Glen Tyra have allowed our business to continue to grow over the years. They have been a major factor in allowing us to move forward with projects and ultimately create jobs for our community.

What do you do in your non-work time?

We enjoy playing golf, attending Cincinnati Bengals games, and vacationing to Norris Lake near Knoxville, TN.

Who has been your greatest inspiration and why?

As a third generation business our inspiration has always come from our father and grandfather. They have taught us if you're willing to put in the work, nothing is unattainable. As well as the importance to value your customers, and do everything you can to EARN their business.

What advice would you give someone who wants to start a business?

When you work for yourself there is no punch out clock. There is always something to do to improve your business. Ultimately what you put in is what you get out.
